

NATIONAL ASSOCIATION
FOR ALTERNATIVE
CERTIFICATION

The leading organization for alternative certification

NAAC Membership Application

The National Association for Alternative Certification (NAAC) is the professional organization that advocates for standards-driven non-traditional educator preparation leading to effective school staffing. NAAC reviews trends and issues to inform practices and policies relevant to recruitment, preparation, certification, support, assessment, and retention of high-performing educators.

Membership dues enable NAAC to provide these important services and benefits:

- The *Journal of the National Association for Alternative Certification (JNAAC)*
- Awards for Outstanding New Teachers
- Member discounts on conference registration (currently \$100 discount per registrant)
- Bi-weekly email updates
- The NAAC Resource Wiki
- Research Grants
- Webinars

NAAC members also receive discounts on publications, products, and resources from several partner organizations!
