

NAAC 2020 Annual Conference Sponsorship Opportunities

Put Your Organization in the Spotlight!

National Association for Alternative Certification invites sponsorships for the 2020 Annual Meeting, April 14-17, 2020, at The Westin Seattle. More than 200 policy makers, funders, researchers, and thought leaders in education will be present. Sponsors will be in front of the top teacher preparation programs, school systems, state agencies, affiliate and national organizations and engage with decision-makers, and your new programs and products help attendees maximize efficiencies in their own programs.

As a membership organization, NAAC relies on sponsors to help defray registration costs. Your financial support makes a **huge impact** as we bring **cutting-edge content** and **networking** opportunities to a diverse audience.

Don't miss this chance to put your company or program in the spotlight for one year and 4 great days in April 2020!

For questions or to craft a custom sponsorship, please contact Judith Tilton, NAAC Executive Director, at (727) 940-2658 x 1002 or send an email to info@alternativecertification.org.
